

REFERENTIES

Literatuurlijst

De referenties zijn gerangschikt per (sub-)hoofdstuk en staan, voorzien van hyperlinks, ook op de website van het boek, www.bartverheggen.nl. Daar vindt u eveneens een register met relevante blogposts, gerangschikt per hoofdstuk.

Enkele bronnen zijn dermate relevant voor een groot deel van het boek dat deze vooraf apart worden benoemd en daarna niet meer worden herhaald. Dit betreft bijvoorbeeld de rapporten van het Intergovernmental Panel on Climate Change (IPCC), die te vinden zijn via www.ipcc.ch/reports/.
